

The veterinarians and staff of All Tails Wagging Veterinary Clinic would like to share some good news with our devoted clients. We recently enrolled in the Veterinary Care Charitable Fund, a program of the American Veterinary Medical Foundation (AVMF). The program was created to support veterinarians who provide medical services to the lost, neglected and abused animals that find their way into our clinic. The program also allows us to care for animals in our community when their owners face extraordinary hardships.

We invite you to support us in this new endeavor by making a donation to the AVMF to support our charitable work.

The American Veterinary Medical Foundation (AVMF) is the charitable arm of our professional membership organization, the American Veterinary Medical Association. The AVMF has been helping veterinarians help animals for more than fifty years. Donations to the AVMF are tax deductible and are greatly appreciated.

- Online donations can be made at [AVMF.org/CARE](https://www.avmf.org/CARE). Be sure to select the All Tails Wagging Veterinary Clinic when making your donation.

Checks, payable to the American Veterinary Medical Foundation, can be mailed to:

AVMF
1931 N. Meacham
Schaumburg, IL 60173
Memo: All Tails Wagging Veterinary Clinic

Thank you in advance for your donation. All Gifts, no matter the size, are greatly appreciated. Please watch for additional messages that will share exciting and heartwarming stories of the animals that are helped through your generosity.

Sincerely,
The Staff at All Tails Wagging Veterinary Clinic
